

**SECTION 1 - Product and Company Information**

|              |                                                                             |
|--------------|-----------------------------------------------------------------------------|
| Product name | Recombinant Anti-CD4 Antibody, Rabbit Monoclonal(Cat# 90274-R101)           |
| Company:     | Sino Biological Inc.                                                        |
| Address:     | NO. 9Building, 18# Kechuang 10th Street, BDA,<br>Beijing 100176, P.R. China |
| Telephone:   | +86-400-890-9989                                                            |
| Fax:         | +86-10-50953282                                                             |

The Products are not to be used in humans. In the absence of any express written Agreement to the contrary, Products sold by SINO BIOLOGICAL, INC. are for research-use-only (RUO).

**SECTION 2 - Composition/Information on Ingredient**

This product does not contain any known hazard ingredient.

**SECTION 3 - Hazards Identification**

Although this product does not contain any known hazard ingredients, usual precautions are to be taken when handling.

**SECTION 4 - First Aid Measures**

|           |                                                                                                            |
|-----------|------------------------------------------------------------------------------------------------------------|
| Eyes      | Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. |
| Ingestion | Seek Medical Advice                                                                                        |

**SECTION 5 - Fire Fighting Measures**

|                        |                      |
|------------------------|----------------------|
| Fire Extinguisher Type | No restriction known |
|------------------------|----------------------|

**SECTION 6 - Accidental Release Measures**

|                     |                                                                    |
|---------------------|--------------------------------------------------------------------|
| General Information | Use proper personal protective equipment as indicated in Section 8 |
| Spills/Leaks        | Dilute spilled substance with plenty of water and absorb           |

**SECTION 7 - Handling and Storage**

|          |                                                                                                          |
|----------|----------------------------------------------------------------------------------------------------------|
| Handling | Follow Good Hygiene practices in handling. Avoid contact with eyes, skin, and clothing. Avoid ingestion. |
|----------|----------------------------------------------------------------------------------------------------------|

|                                                     |                                                                |
|-----------------------------------------------------|----------------------------------------------------------------|
|                                                     |                                                                |
| <b>SECTION 8 - Exposure Controls</b>                |                                                                |
| Skin:                                               | Wear appropriate protective gloves to prevent skin exposure.   |
| Clothing:                                           | Wear appropriate protective clothing to prevent skin exposure. |
|                                                     |                                                                |
| <b>SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES</b> |                                                                |
| Appearance                                          |                                                                |
| Form                                                | Solid OR Liquid                                                |
| Safety data                                         |                                                                |
| pH                                                  | No data available                                              |
| Melting point                                       | No data available                                              |
| Boiling point                                       | No data available                                              |
| Flash point                                         | No data available                                              |
| Ignition temperature                                | No data available                                              |
| Lower explosion limit                               | No data available                                              |
| Upper explosion limit                               | No data available                                              |
| Water solubility                                    | No data available                                              |
|                                                     |                                                                |
| <b>SECTION 10 - Stability and reactivity</b>        |                                                                |
| Stability:                                          | No data available                                              |
| Prohibited content:                                 | No data available                                              |
| Hazardous reaction:                                 | No data available                                              |
| Avoid contact conditions:                           | No data available                                              |
|                                                     |                                                                |
| <b>SECTION 11 - Toxicological Information</b>       |                                                                |
| No information available                            |                                                                |
|                                                     |                                                                |
| <b>SECTION 12 - Ecological Information</b>          |                                                                |
| No information available                            |                                                                |
|                                                     |                                                                |
| <b>SECTION 13 - Disposal Considerations</b>         |                                                                |
| Waste Disposal Route                                | Dispose according to local, state and federal regulations      |
|                                                     |                                                                |
| <b>SECTION 14 - Transport Information</b>           |                                                                |
| No information available                            |                                                                |

**SECTION 15 - Regulatory Information**

No information.

**SECTION 16 - Other Information**

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Sino Biological Inc. shall not be held liable for any damage resulting from handling or from contact with the above product.
